Summary

❖ I am a Computer Engineering graduand from Busitema University Faculty of Engineering and Technology.

❖ I am enthusiastic when it comes to technology most especially in the fields of Database management, Artificial intelligence and Software development.

❖ My aspiration is to impact lives by providing technological solutions

Experience

Project Intern
Breakthrough Analytics   Sep 2023 – December 2023 (4 months)

Data analysis and model training using machine learning

Student Ambassador for IEEEXTREME 17.0
IEEEXtreme   May 2023 - November 2023 (7 months)

Engineering Intern
Fundi Bots   Jan 2023 - Mar 2023 (3 months)

Worked on IOT and Automation projects. Both technical and soft skills were imparted while at Fundi Bots.

Recess training instructor
Busitema University   July 2023 - August 2023 (2 months) Tororo, Busia - Uganda

Assisted in training the first-year students while in their recess

Education

Busitema University Faculty of Engineering and Technology.
Bachelor of science in computer engineering, Computer Engineering
2021 – 2024

ALX Academy
Virtual assistant, Leadership and management
Sep 2022 - Nov 2022

Skills

Communication • Data Structures and Algorithms

Critical Thinking • MySQL • Python • PHP • Kotlin
Collaborative • Problem Solving • Project Management
C++
